Wedding Flowers and Arrangements

Due to wide selection and customization of flowers, we do not offer any packages for flowers.

We make wedding party flowers (ex. bouquets, boutonnieres, corsages, hairpieces, etc.) and all kinds of arrangements (ex. altar, head table, centrepieces, etc.).

Flowers can be made with fresh, silk, or dried flowers. Arrangements can be floral or non-floral (ex. ostrich feathers, candelabra, etc). Please email to ask for quote.
